MEMORANDUM FOR: Deputy Director for Administration
Deputy Director for Intelligence
Deputy Director for Operations
Deputy Director for Science & Technology
Chairman, Senior Executive Career Service Panel

SUBJECT : Review of Supergrade Position Requirements

REFERENCE : Memo for DDCI dtd 12 Feb 76; Subject: Management of
Agency Supergrade Positions, Ceiling and Personnel

1. Recommendation (e) of referent memorandum states that the Position Management and Compensation Division will immediately conduct an Agency-wide supergrade position review on an expedite basis and submit its findings to the Agency Supergrade Board.

2. I have therefore requested that PMCD begin its preliminary work by arranging to meet with a representative of each Directorate for the purpose of ensuring that all Directorate supergrade recommendations are taken into account. I am hopeful that such meetings will also serve to resolve differences concerning grade levels and provide a channel for updating position information so that the Agency Supergrade Board may be required to address only a minimum of issues at its first session.
